² This ID is required to register your membership with the NTB. If you don't have an ID yet, you can create a free account at <https://mijn.triathlonbond.nl/registreren>. N.B. you don't need an active membership!

³ If you are a current NTB member we can transfer your membership to Nexus for next year; you will not have to renew or cancel your NTB membership manually.

Membership

Membership includes participation in group training sessions, access to internal competitions and club activities. By becoming a member of DTV Nexus, you also automatically become a member of the NTB (Nederlandse Triathlon Bond).

The membership fee for 2026 is €120.⁵ This amount will be charged in January. This fee is determined annually and communicated during a General Members' Meeting (ALV).

Costs for participation in certain activities ⁶ or clinics and indoor swimming training ⁷ are not included in the membership fee. These additional costs will be charged separately.

Through your own NTB account, you can also apply for an athlete license, which costs approximately €40 per year. With this license, you will no longer need to pay for single-day licenses when participating in triathlon competitions. An athlete license is mandatory for participation in the team competition.

Cancellation

Memberships can be cancelled no later than four weeks before the end of the calendar year by sending an email to delftsetriverenigingnexus@gmail.com. When membership is cancelled, the annual membership fee remains due for the entire year.
